

SUPERMOMS MATCHING CHALLENGE

Draw a line from the SUPERMOM to the SUPERFACT

I carry my youngsters
in my mouth

I guard and clean
my eggs until they hatch

I use mud and poop
to make my nest safe

I have a team of moms
to help me care for my baby

I don't eat for months
while I'm feeding my cubs

I carry my baby
while I'm flying

I carry my youngsters
on my back

I teach my baby how to
build nests and use tools

I travel many miles to
find food for my chidks
